Your job is to take five. That is, choose five of the six objects (Letter, Broken Window, Magnifying Glass, Old Boots, Pigeon, Sand Dune), and use them in a story (fiction) or an essay (non-fiction). You may include the five objects in your piece in any way you'd like, as long as your work is no more than 500 words. Just be creative and have fun! Four winners will be chosen. Winners will receive \$100 each and will be featured in *READ*.
